The joy of being the flower delivery guy, and why Easter doesn't stay still

I will tell you of a job you may want. It's a job full of fun. It's a job full of joy. I have dibs on this one, so you'll have to beat me to it next time, if you're peaked. It's the job of delivering the Easter lilies (or Christmas poinsettias) through town to shut ins and those who need a boost.

It is really *the* B E S T job E V E R.

First up, we all like to get stuff. Well, let me be more specific. We all like to get fun stuff. Surprise stuff. And flowers? Flowers are *numero uno*, or they are at least in the top five of great gifts to receive. And ladies, let me tell you. Reverse sexism doesn't work. Flowers aren't just a lady's thing. Men can smile just as well when they're handed this gift.

It's just such a beautiful way to continue what we celebrate with in worship. To share the flowers that make our sanctuary beautiful to those who haven't seen them or couldn't be a part of church? Yes. This is really good. I mean, *really* good.

I was blessed in this edition to get an extension on my *Spire* deadline. I'm grateful because I can share what happened after our 11 AM worship Easter service today. I packed up the lilies that were to be given away and with my trusty navigator Newman, my second in command, off we went on adventure. For those of you who do not know, Newman is a dog. In the pack here at home, this bulldog mix is second in command.

It's just an amazing feeling to give goodness away. We started with a lot of lilies. Turning right from the church, and then left, and then all around, all these names popped into my head. "She could use a lily." "They'd get a kick out of a lily." "This family? Yep. Totally. A lily will make their day."

What I experience in doing this is what you've experienced, too, and that is the joy of being the church that cares for the people. Notice I said 'the' people, not 'its' people. Our wider community needs to know we hear them, see them, care for them, and yes, love them as Jesus calls us to love our neighbors.

The March 30 Spaghetti Dinner, as one of many examples, was outreach to the max. Jesus calls us to fish for people; I certainly think He'd be an advocate for us also being friendly to people.

There is much more to do. There are many more to reach. Join me (or lead me) in this joy of continued, spontaneous, "we don't want anything but to see your smile" ministry. You may not have a lily to give to someone, but that does not mean your hands and heart are empty. I pray with this page that we, an Easter Resurrection people, find ways to do what we have done, are doing, and will continue to do, and that is give love to God's loveable.

GAME ON Community Dinner

On March 30th GAME ON/ youth outreach hosted a FREE Community Dinner. The main purpose for this dinner was to bring our community together to visit and show "Love For Our Neighbors".

The GAME ON kids were amazing little worker bees waiting on tables of the many faces that joined us in the LH for a delicious Spaghetti dinner.

A big thank you to the GAME ON parents who kept busy as well...whether it was greeting newcomers at the doors, cooking spaghetti, filling orders or just visiting in the LH. The dinner was made possible by many generous donations. The kindness and generosity of the following is very much appreciated!

PennCan Restaurant
Bingham's Restaurant
Tiffany at Germanas Pizza
David and Connie Schulte
Jan Winemiller
4H
The Many cookie bakers and SO many others.

A big thank you also goes to Dairy Princess Mary Catherine Chidester and Dairy Maid Elizabeth Chidester who served up ice cream with a smile for dessert.

Thank you to all... The familiar and unfamiliar faces as well, who came out for an evening of food and fellowship. We look forward to another Community Get Together again soon!

WHY THE FREE DINNER MATTERED

Our oldest Sunday students talk about faith, community and purpose

Pastor Will's Sunday school students gathered to reflect on the March 30th free dinner that was sponsored by our Youth and Community Outreach program. Mikaela, Bailey, Ethan and Tanner each held key positions that night and were quiet right at first, but opened up with responses that may inspire (and perhaps even positively challenge) some of us adults.

"We had this dinner to bring the community together," Mikaela said. "And it was a success in that we were able to see people who live in town actually come to the church. Some stopped by for the first time, and others who have not been here for a long time were here. And this really mattered."

Bailey speaks to this ministry. She said, "A lot of people came and enjoyed—and they'll be back."

"We can all do something to make a difference. And this was one way," Ethan said. "It's not really that complicated. You just do what needs to be done. Feeding people. Getting them together. Caring. It just needs to be done. And with a lot of help, we did it."

Tanner added, "A bunch of new people came to see what we are about. Not just words, but action. Church isn't just talk, I mean. It's actually being community. It was special because we got to bring good to people."

"We know why we were there," Bailey offered. "It's easier to talk with someone you know."

"Yeah," Ethan agreed. "And we did this so people in the community can really get to know each other."

With a smile, Mikaela joked. She was thinking of the skills they honed as they served and cared for about 90 people firsthand. "And now we know that we can all work at Bingham's."

A beautiful, hand-made cross graced our Sanctuary this Easter season. The cross was made by Brennan Slangan in a wonderful tribute to the memory of his sister Bethany Millard. Brennan is 13 years old and obviously a talented artist and a loving brother.

Thank you Brennan! We will also remember Bethany.

Thank You!

Thank you to all that came to the Breakfast at the Fire Hall April 7th and supported the Harford Fire Company in their efforts to raise funds.

It is so important for our church community to support the community as a whole.

Trustee Meeting Minutes

April 8, 2019

Kay Gow attended representing Stewardship in regard to their goals for the upcoming years, several will fall under the authority of the Trustees

Old Business

Repairing and replacing light fixtures in lecture hall. Quote from Chaz Ross Services is \$2,100. Gary suggests making sure lighting is LED.

Harry met with Charlie McNamara about jacking or leveling the lecture hall. He suggested we just put new level siding on. Charlie was not interested in doing the work due to the difficulty of leveling the lecture hall and what it would entail.

BSR Cleaned the black marks off the siding

Look into changing flooring types in high traffic areas. Trustees will get prices on laminate flooring.

Revisit additional concrete parking area with provisions for volleyball and basketball and or concrete driveway. Put both out to bid and decide if we will do one or both this year.

Call RG Petty about jacking lecture hall or also Kevin Conforti (Building Materials Consultant).

The Fight for Freedom

Our forefathers had a dream. It was to become the foundation of many more dreams, and aspirations of a fledgling new land. This new land would eventually become the nation we know today, as the USA.

How did we become the nation we are today? Many men and women fought in different ways to gain our freedom from England.

It took five long years before our freedom was secured. Many long, arduous battles were fought.

Our country began to grow.

Men and women of many European nations came to America to find freedom.

As our country grew more wars and conflicts came. More men and women gave their lives to preserve the freedom our country was founded on.

So, on this day, when we honor the men and women who have died, let us remember to keep the flame of freedom burning bright and strong and acknowledge their sacrifice was not in vain.

It's Time to Declutter, Again!!!!

The Missionary Group is sponsoring a yard sale May 24-25. The proceeds will go to help sponsors two Nicaraguan Missionaries living in Nicaragua. These native Nicaraguans have dedicated themselves to working to improve the living conditions of their fellow Nicaraguans by helping to develop community leaders and working to improve skills within the community.

We will be collecting anything to be sold in a yard sale: All decorations, lightly used bedding, electrical appliances, lighting, flat screen TVs, furniture (no upholstered items), household items, kitchen items, tools, yard stuff, toys, baby items, bikes, books etc.

Please bring any items to the lecture hall and label them "Yard Sale" now through May 17th. If you would like a pick up, please contact Holli Chichester at

Golf Tournament Time!!!

Hi Everyone,

The Harford First Congregational Church –UCC has one fund raiser every year, our Golf Tournament at Conklin Players Club. This year it is on June 30, 2019. In the past the money raised by this tournament has gone to fund special projects, however, last year we needed to use this money to pay our December bills.

Our Golf Tournament fund raiser needs the participation of every person to be successful. The efforts of a few people won't give us the results that we need.

If every person would select something from the list below, the tournament will be the success we all hope for. Please consider selecting one or more from the list below:

- Sponsor a hole in memory or honor of a loved one
- Sponsor a hole to advertise your business
- Give the Sponsorship form to someone you know that has a business and ask them to Sponsor a hole
- Donate items/item to be used as a prize
- Bake cookies for the goodie bags
- Donate a Basket for the Basket Raffle
- Work at the Golf Tournament, June 30th
- Get a team of golfers together and play at the tournament
- Donate water, nuts, crackers, pretzels, jerky or other for the goodie bags

Our congregation has always worked together to accomplish so much. Please consider how you can help.

The sign-up sheets are in the Lecture Hall or call Holli at 570-851-5109, 301-643-1775 or email at hollischichester@gmail.com

Thank you!

This money will go to help fund well drilling operations in rural Nicaragua. We are looking for people that would be willing to bake items and people willing to help man the bake sale. Sign-up sheets are in the gathering room.

Please contact Holli Chichester if you have questions at 301-643-1775 or 570-851-5109
