## Letter from Bonnie Bates (President of Penn Northeast Conference)

It's June! The usual time for graduations, picnics, Father's Day barbeques, Flag Day parades, hiking and beach going...that was before COVID 19 and the pandemic. We are all anxious to return to "normal" but I am afraid what we viewed as "normal" is not coming back. I don't usually seem so pessimistic, and I am not really. What I am is realistic. Even when Pennsylvania moves completely into the "Green" phase, we are being called to use social distancing, masks, gather in groups smaller than 100, safely interact with one another, not sing, not shake hands or hug. This will not feel normal, but may be how we live with one another for months to come.

We may find ourselves getting used to distance, to nodding our heads or bumping our elbows in greeting, and wearing masks in public settings. It may be challenging for some of us – especially we folks who like to hug, who like to touch, who want to be close. These have been and are challenging days.

My realistic and practical self is reminding us to make a plan for reentry into our church buildings, to follow the CDC and Department of Health Guidelines, to be care-filled and careful. Please, even though we might like to pretend this is just like the summer of 2019, it is not. The health challenges are serious. More than 115,000 people dead is serious.

And yet, we are making progress. The spread of the virus is flattening in some places. People are learning to be cautious and to share spaces in ways that promote and preserve health. We are livestreaming and zooming worship in new ways, sharing music and hymns in new ways, offering pastoral care in new ways. And we are the church; we are still the church. I shared a reading on our Penn Northeast Facebook page this week, by Margaret Weiss. It is called *The Church Has Left the Building*. I share it with you here, in case you are not a Facebook subscriber.

The church is not a place; it is a people.  
The church is not only a steeple above the tree-line, streets, and cars.  
Rather, it is a people proclaiming to the world that  
we are here for the work of healing and of justice.  
The church is not walls built stone upon stone, held together by mortar  
but rather person, linked with person, linked with person:  
all ages and genders and abilities—  
a community built on the foundation of reason, faith, and love.  
The church is not just a set of doors open on Sunday morning,  
but the commitment day after day, and moment after moment,  
of our hearts creaking open the doors of welcome to the possibility of  
new experience and radical welcome.  
The church is not simply a building, a steeple, a pew.  
The church is the gathering together of all the people, and experiences,  
and fear, and love, and hope in our resilient hearts;  
gathering, however we can, to say to the world:  
welcome, come in, lay down your heartache,  
and pick up hope and love.

For the church is us—each and every one of us—together,  
a beacon of hope to this world that so sorely needs it.

My friends, we are the church. We remain the church, even as we move into a new sense of what "normal" is and can be. Be blessed and a blessing. ~Bonnie

Dear Congregation,

**Attention! The worship service will be livestreamed live at 10:00 am each Sunday.**

We have been eager to worship together again. Our council met in June to discuss how we can safely begin this process. We are now able to meet in groups with masks, distance, and additional sanitizing.

We would like invite those who feel ready to worship in groups to come to the livestreaming of our worship at 10:00 am. Masks are mandatory. We must keep our distance. We will not use the hymnals and Bibles or have bulletins. All needed text will be projected for you. We will enter and exit through the glass double doors.

For those who feel it is best to stay at home and continue online worship, which, at the moment, seems to be the majority of us, please know our council supports and appreciates your participation as it has been. Safety first is a key to our wellbeing.

We look forward to worshipping with you online or in person each Sunday at 10 am.

## Trustees:

- Tightened the railing in the gathering room
- Cameras for the security system will be installed
- Weather stripping was placed on the alley door
- light pole broken and will be repaired
- need a Tablet for Judy to view the security cameras because the system needs to be hooked to WIFI and on while she is using the computer
- The Fire Alarm System will be replaced by Integrated Security and Safety Systems for a total of \$1438. The old box will be removed and replaced, the rotary call box will be replaced with a digital call system, the old sensors will be used while replacing any that aren't working. The monthly monitoring cost will be \$40. The money will be taken from the building fund.

Ellen motioned to accept the above Fire Alarm System, Maureen seconded, approved.

-The Sunday morning worship service is projecting the hymns and the scripture text on the wall. The words are difficult to see online because it is very bright in the sanctuary. Recommend replacing the hail damaged shades.

Kay motioned to accept replacing the blinds and cap the expense at \$1000. Julie seconded, approved.

**Willing Workers:** The quarterly meeting of the large group of Willing Workers was held on Monday, June 1, 2020 at 1:00PM in the Lecture Hall. There had been no meeting in May due to the pandemic. Kay Gow called the socially distanced meeting to order. Others present were Sherry Decker, Holli Chichester, Wendy Phillips, Sharon Kinney, Karen Jones, Kandy Wellman, Ivie Simons, Ellen Holdredge. Ivie Simons made a motion to accept the treasurer's report and both sets of minutes (February 12 and March 4).

Most of the meeting dealt with planning for the Harford Fair. At this point in time, the fair is a possibility but there is a lot of conjecture. There was a discussion on paying the rent for our spaces and then not participating this year. Some people are reluctant to help. It was decided that we won't cancel. We will leave that decision to the Fair.

Because the Fair is a possibility, plans need to be made so we are prepared. Kandy had a number of thoughts:

1. Attic treasures—before people bring them in, we need to know if there will be a fair. Until then, people will be asked to collect their treasures at home until we know for sure.
2. Protective items—Kandy to order some hand sanitizer for workers and people coming in, masks, disposable gloves for money handlers, etc.
3. Fudge case is problematic. Scrap, trash days, sell on marketplace, leave beside the road with a free sign? Kandy to take picture and list on line.
4. Fudge and cookies-would it be ok to make them and sell them.
5. Kandy wants to plan out the space with shelves, metal brackets, maybe tarps or screens to put up and down for bad weather or sun, or signs to go across the front of one side.

Ellen made a motion to allow Kandy to purchase fans, shelves, whatever is needed for the space at the Fair. 2<sup>nd</sup> by Kay. Passed.

Side note: After the meeting Kandy and Holli went to the Fair grounds to look at the new building. They discovered that the two 12x12 spaces we thought we had are actually 10x10. They will go back on Wednesday to talk to Cindy, who is in charge of spaces at the Fair.

Ivie made a motion for Kandy to buy tables of the size needed for the space. 2<sup>nd</sup> by Sharon K. Passed.

6. Kandy is waiting on purchasing dishcloths until we know for sure as we do have a small supply.

The next meeting is Wednesday, August 5 at 7:00PM unless another meeting is needed sooner.

Meeting adjourned at 2:15. Ellen Holdredge, Secretary

### **Pastor's Report:**

-Visited Ellis Miller prior to death.

-Met with Ellie Miller's family. Funeral will be June 29 at 11:00am.

-Jesse/Corbin wedding will be August 29, 2020

-Doctorate graduation will be in September

-Writing a daily message via email and calling on people

**New Business:** Yoga and the Boy Scouts have requested to begin meeting in the church again. The recommended restrictions are too extensive at this time. We will revisit the issue at the next meeting.

Will continue to live stream the worship service and invite those that feel ready to attend. Masks will be required and we will keep a six-foot distance. The double glass doors will be open for in/out and all doors will be open to eliminate touching. All text will be projected on the wall behind the pulpit to eliminate the need to touch hymnals and pew Bibles.

# Summer Lunch Box Program

We're getting back to our roots! When we first began this program, volunteers would pre-pack orders for families. Of course, we've moved from several dozen kids in only 1 school district to 540 students in three school districts. We serve MountainView, Montrose in two locations (VFW and Choconut) and Elk Lake. We couldn't do it without the support of this amazing community we live in and all the wonderful churches that have come together to feed our kids!

**Harford First Congregational Church is now collecting jelly since we met our goal of 450 jars of peanut butter!!!**

The need for food has grown so large that we are at capacity and in need of funds to buy food. All of our fund raisers are at the end of the summer or in the fall. Please give if you are able.

# Celebrating the 220 year of Harford First Congregational Church—UCC

## Our History

Nine families from Attleboro, Massachusetts settled in this area in 1790. On Sunday June 15, 1800, the First Congregational Society met to establish the first church here. The first church was built in 1822. The Lecture Hall was built and completed by 1845. After several renovations the sanctuary as we see it now was finished in 1888. The Congregational Society joined the United Church of Christ in 1967 and is part of the Penn-North East Conference.

Harford First Congregational Church is the oldest church in Susquehanna County, Pennsylvania and was organized in 1800. The current church was built on land donated by Hosea Tiffany, one of the Nine Partners who settled here in 1790. An old meetinghouses style building originally occupied this site in front of the current church built in 1822, the Lecture Hall was built in 1844, and the spire was raised above the belfry in 1851. Interior changes have taken place, chiefly in 1851 and 1950, when the Church's 150th anniversary inspired a major restoration, which sought to approximate the original conception. During its long and distinguished history, the church has had twenty-eight pastors.

Prayer: As we celebrate the 220th year of the founding of our beautiful, historic church we pray for the congregation and nation a healing of wounds, whether physical, emotional, or spiritual. We as a congregational church always seek to be open-minded and look at whatever is happening from another's point of view. May you continue to guide us in the path you've set before us. Keep us ever mindful of your unfailing love for all humankind. Help us to continue to be a beacon of hope and light not only for our community, but for the nation so torn by hatred. Let us bind the wounds of those affected by the unrest and injustice around them. Hold us and those we love in your arms safe and secure in the knowledge you are with us for another 220 years and until your return to take us to our heavenly home. All these things we ask in your name. Amen

Seniors, As your final year of high school or college comes to a close, we the congregation of Harford First Congregational Church-UCC, want you to know that we, along with your parents and loved ones, are proud of you. We congratulate you on your accomplishments!

You will encounter many new circumstances in your life and with a steadfast will and determination, they will not be insurmountable. Believe in the Lord Jesus Christ and you will accomplish great things. Our prayers go with you as you continue either in higher education pursuits or as you enter the work force.

Love in Christ, Deacons and the Congregation

UNITED CHURCH OF CHRIST

June 1, 2020

Dear Members, Church Leaders and Pastors,

We have enclosed for your church a hand signed Thank You from the Board of Directors for your generous gifts to OCWM this past year for the ministry of the Penn Northeast Conference.

Burnie L. Bates  
Conference Minister  
BurnieB@pnecc.org

Gilberto Garcia-Rodriguez

BarbaraJ@pnecc.org

Patty Jo Rehrig

Conf. Communications  
PattyR@pnecc.org

While we were not able to achieve our budgeted goal for OCWM, we were able to pay all our expenses, commitments, and missional giving for 2019. This is a testimony to your generosity to PNEC. For the year, OCWM was 79% of our budgeted goal as compared to 90% in 2018. Total revenue came in at 92% of budget as compared to 88% in 2018. Expenses for 2019 were 88% of budget and in 2018 they were 93%. Ministry shortfall for 2019 was \$31,860 and in 2018 it was \$19,745. These trends are of great concern and we wanted you to be aware of the continued financial challenges we face, however, we also wanted to offer each of you a gracious *"Thank You"* for your generosity.

We covenant to support one another and that is what many churches have been doing in the PNEC. It costs approximately \$10,000 for a pastoral search and many of our smaller churches do not have the resources to cover that expense, so we hope you see where some of your OCWM goes to support your brothers and sisters in ministry. Also, your gifts enable many educational opportunities as well as trainings for authorized clergy as it pertains to boundaries, anti-racism, and diversity.

We look forward to a blessed 2020 as we continue to work together and individually to spread the love of Christ in our communities and in the world.

Yours in faith and with gratitude,

Rev. Martin E Nuscher  
Treasurer, PNEC

*Thank You!!*

## Correspondence

Thanks to everyone that remembered Helen Booth Foster on her 91st birthday. She enjoyed her birthday and special cake from her children. We just heard that she has been identified as having asymptomatic Covid-19. Prayers would be appreciated as she recovers from this illness at Susquehanna Nursing Facility, Barnes Kasson Hospital.

## Christian Education

Our two intrepid, beautiful, and caring teachers are still doing a fantastic job of recording and posting lessons for all of God's children no matter what age we are.

Miss Bonnie oftentimes has Miss Payton with her, also she has animal friends with her. Another thing she is posting are Douglas Talks which have been well received. Miss Kandy always has many wonderful insights about what she posts.

Thank you Miss Bonnie, Payton, and Kandy for keeping all of us aware of God's love and concern for all mankind.

Respectively submitted, Kay Gow, Secretary

## SUSQUEHANNA COUNTY INTERFAITH

Dear Friends,

Two months ago in the middle of the pandemic, I sent you a letter letting you know what was going on at Interfaith. The season looked bleak, everything was shut down, people needed help and the world was dark, cold and unsafe. Interfaith was able to continue to be a light ... to help those who needed heat, lights, water, food and shelter.

**Here is the rest of the story**, because of your generosity, gifts through the Community foundation of the Endless Mountains and a grant through the Scranton Community Foundation, Interfaith has been able to continue to be a light in the community, to offer hope and encouragement and to make sure that there was heat, lights running water to wash hands, a home to stay in or go to and many other things...

In addition, we were able to apply and receive the payroll protection program through the Small Business Administration so that we could bring back our staff. Given the volatile economic outlook and the increased needs in our community, as well as, the additional requirements for businesses from the Department of Health, Department of Labor and the CDC our board felt that we would be able to provide the community the highest quality service and be the best stewards of the funds that are entrusted to us by moving into our forever home now rather than after renovations are complete.

**So we are moving!** Where? To the former Montrose Methodist Church (526 Church Street, Montrose). Our plans were to have a capital campaign that would be invested in the renovations and the preservation of this beautiful landmark building. But God has other plans...

Things you need to know:

1. None of the funds given to help families or individuals will be used for moving
2. Our plan is to have everything moved and the store ready to re-open by July 1. After that, we will be accepting donations by appointment only.
3. If you are interesting in helping with the moving or would like to be involved in the renovations – please email [director@interfaithsc.org](mailto:director@interfaithsc.org), text 570-396-0642 or call 570-278-1776.
4. If you or your church, business or organization would like to do something – bring us flowers 😊 – we would like to make the outside appealing and planting flowers would go a long way towards helping with that.
5. God has already provided \$50,000 towards the refreshment of the new to us building! We hope to be able share in the future of the many ways he will provide.

Thank you – we are so very grateful for your partnership, and the encouragement that your caring notes, prayers, and gifts made in families lives over the past months.

Thank you for partnering with us,

Cindy Beeman

Executive Director
